

PHCC Educational Foundation

Plumbing-Heating-Cooling Contractors—National Association

Dear Scholarship Applicant:

Each year the PHCC Educational Foundation awards over \$100,000 in scholarships to deserving students who are enrolled in a major directly related to the plumbing-heating-cooling profession.

Scholarships are available to students who are enrolled in:

- (1) An approved plumbing or HVACR apprentice program. Students enrolled in an approved apprentice program must also be working full-time for a licensed plumbing or HVACR contractor who is an Active Member of the Plumbing-Heating-Cooling Contractors—National Association.
- (2) A full-time certificate or degree program at an accredited two-year community college, technical college or trade school. Approved majors are: business management; mechanical CAD design; construction management with a specialty in mechanical construction; and plumbing or HVACR installation, service and repair.
- (3) A full-time undergraduate degree program at an accredited four-year college or university. Approved majors are: business management; construction management with a specialization in mechanical construction; and mechanical engineering.

Enclosed is an application form that can be used to apply for a scholarship. For complete information about eligibility requirements or if you need additional applications forms, please visit the Foundation section of the PHCC web site at: <http://www.phccweb.org/foundation>.

If you have questions or need assistance please feel free to call the Foundation Scholarship Program Coordinator at (800) 533-7694 or you may send an e-mail to: scholarships@naphcc.org.
